Preface

Greetings,

The title says it all.

This work is blogged at:

Possible Last Words & Epitaphs

<https://possiblelastwordsandepitaphs.blogspot.com/>

Writing has been an enjoyable process ever since I first began toying with prose; scribbling poetry, keeping journals, corresponding with friends and acquaintances during the college daze. The philosophical/mystical/whatever-you-want-to-call-them thoughts, that have been popping into mind since 1989, have always been very out-of-the-blue spontaneous. Nothing planned or forced about them. They are being shared on the off chance that others may find them of interest, though, quite frankly, it really does not matter if no one else ever even reads them, for I am, first and foremost, my own audience. I got mine, so to speak. I played my little part. I had my share of fun. And it is, as it has ever been, up to each to discern their own, on their own.

There are really no followers in this Don Quixote quest; only earnest seekers, who waylay their desires and fears and dreads, enough to discern that which is the end to doubt, the end to dueling with windmills. “Yay” if it is your fate to figure it out. “Oh well” if it is not. And “so it goes” either way, really. Ecclesiastes 1:2 is always a good reminder: “Vanity of vanities,” saith the Preacher, “Vanity of vanities. All is vanity.” Awareness can only, with great effort, regain control, regain sovereignty, from the usurper, imagination, creator of all that is time, creator of all that is space. Creator of all that is illusion, has never been anything more than illusion, will never be anything more than illusion. Only as real as the given moment.

“The Stillness Before Time” is the original work that came together in 1992, including mostly aphorisms, an essay, a newspaper question-and-answer, ten reflections, and lists of both movies and books. Though an early self-published version, long since edited and expanded, can be purchased at major booksellers, a downloadable copy is available, no charge, at the link below. There are also links to a variety of blogs of other creations by me, along with links to many writings of a similar nature, by thinkers and seers from across all times, across all geographies. “The Ponderings of Yaj Ekim” is the second published book, and is both blogged and available as a PDF download.

The “Breadcrumbs” titles, published annually since 2015, all include the core chapters: Leftovers, Soundbites, Breadcrumbs. In the Breadcrumbs chapters, I unleash thoughts of a more personal nature than in the other two. All just to show I was ensconced in a living, breathing, relativity mundane, oftentimes foolish, mortal mind-body. An actor playing the hand that was dealt; same as everyone else, vain as everyone else. No need to sculpt me into more than I was. No need for myths, nor legends, nor fables, nor miracles, nor cult followings, nor any other fictions, any other absurdities, over to which the human mind, and all its imaginary history, has so often given itself. The Breadcrumbs chapters prove me again and again to be yet another Shakespearian player, as full of the limited and arbitrary as anyone else born into this dream of space and time. So please be sure not to shape me, or these many random thoughts, into some dogmatic absurdity. Use them as a launchpad, not an orbit.

“The Return to Wonder” blog is a compendium of aphorisms not included in the three other works: *The Stillness Before Time*, *The Ponderings of Yaj Ekim*, and *Breadcrumbs*. It originally totaled 3,000 pages formatted in 300 ten-page chapters written since 1990-ish. A gradual editing that will likely never be completed, is changing that dynamic into something of a mishmash.

Please note that this sort of wordplay is very haphazard, way too much work to put into any order. Probably best read it in bits and pieces in the here and there. One of those open-to-any-page works. Especially well-suited for coffee shops, coffee tables, and porcelain thrones.

Also note that all writings are always subject to updates and editing, so if you are interested in the most current version – before this house of cards comes tumbling down, and the world grows large again – downloading PDF copies every once and a while might be a reasonable discipline. This applies especially to the current year of *Breadcrumbs*, which could well be an annual project until the last wheezing breath, though frankly, the temptation to stop writing entirely is not off the table. It is a pleasant way to pass some of the countdown remaining, but it is unlikely there is much ground that has not been wandered by this frame of reference far more than enough already. No matter how many times Sisyphus rolls the boulder up the mountain, it is more than a little doubtful that the blind men and their true-believer followers, will ever discern, ever realize, ever embrace, the elephant in the middle of the room, without fabricating some new form of absurdity. It is the way we roll, it is the way we have always rolled, it is the way we will, far more than probably, always roll. Every species has its limitations, and we have in this mind’s eye, far-exceeded ours.

That said, if you do find these many thoughts at all worth preserving, for whatever times are ahead for this world and all its life forms, please feel free to share them with others who might also appreciate them. Else they may well swiftly slip back into the timeless oblivion from whence they came.

So it goes, either way. I played my part, I said my piece, I had my fun.

All the best,

M

P.S. For best viewing online, using the largest screen you have available to explore my little theme park, is suggested. Scrolling down and down on a phone screen is just not going to give you the same entrée.

P.P.S. Regarding the name Yaj Ekim ... It is just a reverse spelling of the first and middle names ... Michael Jay Holshouser ... Mike Jay ... Yaj Ekim.

P.P.P.S. Coincidentally, make of it whatever you will, or will not, Yaj is an Indian boy’s name meaning worshipper, sacrifice, another name for Shiva, a sage. And Ekim is a Turkish name for October meaning “sowing” (of seeds). All kinds of absurdity can be read into that by the many so-inclined – none of which was in mind when I came up with the idea to reverse the letters to my name. See P.P.S. for details.

P.P.P.P.S. Yes, I am Shiva. And so are You. No, I am not Shiva. And neither are you. Irony and paradox rule.

There is really only one Way.
It is without division or boundary.
It is without name or theology.
Awareness is its scripture.
Here now, its venue.
You, its witness.
Your life, the journey.

I came, I saw, I puttered

* * * *

Thank God it is over

* * * *

Finally, a good night's sleep

* * * *

Non fui non sum non curo
(I was not, I am not, I care not)

* * * *

Didn't ask to be here, never prayed to be stayin'

* * * *

Well, that was harsh

* * * *

Pffft!

* * * *

A tolerably good show.
Thanks for being in one here-now or another.
Au revoir and bon voyage.

* * * *

I told you I didn't feel well

* * * *

Home, sweet home

* * * *

To the last dime

* * * *

Finally, some real rest

* * * *

Adios, amigos!

* * * *

So long, see you in your dreams

* * * *

Hooah!

We come, we go, but Earth abides

Just too fucking annoying anymore

No more tomorrow, no more yesterday,
Naught but the unborn eternal.
Yay oh yay oh yay.

Resting in peace

Vanity, Vanity ... Where art thou now?

* * * *

Home again, naturally

* * * *

The last stop

* * * *

The final illusion

* * * *

Fate is as fate does

* * * *

Another Monkey-Fist Day

* * * *

No way would I ever do that to my Self again

* * * *

Your turn tomorrow

* * * *

Savor the moment

* * * *

I did my part,
I said my piece,
I played my fate,
I had my fun,
And here
Is where it got me.

* * * *

Another yesterday

* * * *

No answers here

* * * *

That to which all are ordained

* * * *

The Wag of Time

* * * *

Hard to argue with a dead man

* * * *

No shit, Sherlock!

* * * *

Am I missing anything important?

* * * *

The worms do not care

* * * *

Yup, you will be forgetting that, too

* * * *

We all gots our fate

* * * *

All the folks I knew are finally dead

* * * *

See ya soon

* * * *

Said my piece, had my fun

* * * *

Yup, you will soon be forgotten, too

* * * *

All fates are imagined

* * * *

Another slab of meat

* * * *

How do you measure a moment?

* * * *

The first and last harbor

* * * *

Es ist gut
(It is good)

* * * *

Sapere aude
(Dare to be wise)

* * * *

Relativity reigns

* * * *

Rest assured, you are all but forgotten, as well

* * * *

Another yesterday underway

* * * *

The Devil may care

* * * *

Another good day to die

* * * *

Happily alone

* * * *

And visa-versa

* * * *

Wishing you were here

* * * *

Welcome to the spider's den

* * * *

Dead before my time

* * * *

The end of all adventure

* * * *

My two cents

* * * *

What a scam

* * * *

Life, it'll kill ya

* * * *

A cosmos of one

* * * *

Am I there, yet?

* * * *

The Dude abides

* * * *

Gone blank

* * * *

The end of labels

* * * *

Enough rarely is

* * * *

The feast is underway

* * * *

All welcome to dine within

* * * *

Diner open for business

* * * *

The last supper

* * * *

Ouch, that hurt

* * * *

Watch where yur stepping

* * * *

No heaven ... no purgatory ... no hell ...

And not reincarnating yet, neither.

Exactly what I expected

* * * *

Oopsie

* * * *

Should have done this sooner

Could have done this sooner

Would have done this sooner

* * * *

Destiny in a nutshell

* * * *

No big deal

* * * *

No Witness, No History

* * * *

The end nighed

* * * *

Got it

* * * *

DNA's Litany

* * * *

Lost in the Shuffle

* * * *

Fate is

* * * *

The destiny of all

* * * *

What it worms down to.

* * * *

Hello, goodbye, cruel world

* * * *

Embrace the futility

* * * *

I am worm, hear me roar

* * * *

Details to follow

* * * *

Another ghost of a memory

* * * *

Ta-da!

* * * *

The wonder! The wonder!

* * * *

The Long Sleep

* * * *

Embracing Eternity

* * * *

Eternal Gracing

* * * *

Hurry up and wait

* * * *

Nothing to do, and all day to do it

* * * *

Time well-wasted

* * * *

Well, I tried

* * * *

It was a good dream

* * * *

I dodged, I hid, I ran

* * * *

No life to live

* * * *

Toying With Imagination

* * * *

A curiosity for truth snuffed without mercy

* * * *

Go away, Kid, ya bother me

* * * *

Go away, Kid, your Mother's calling

* * * *

Do not, do not, do not, I repeat, do not, do what I did

* * * *

Let me out!

* * * *

Bring a shovel next time

* * * *

The fountain of youth is down here somewhere

* * * *

Go away!

* * * *

Haven't you got anything better to do than gawk at headstones?

* * * *

Enjoy that breath

* * * *

Always question, always doubt

* * * *

The fountain of youth is within

* * * *

The last vanity

* * * *

Oh, for a time machine

* * * *

Only the dead know the end to absurdity

* * * *

There are worse fates

* * * *

No more stories

* * * *

Devil's advocate for the gods

* * * *

Moi no more

* * * *

Got out with a few chips still on the table

* * * *

Life is a marathon, not a sprint

* * * *

Alone again, naturally

* * * *

Free at last

* * * *
